“Best Wedding Venue in South-West China”**

New World Guiyang Hotel has been named the “Best Wedding Venue in South-West China” in *Hotel Magazine’s* “Wedding Hotel Awards”.

*Hotel Magazine’s* annual Wedding Hotel Awards event was hosted at New World Beijing Hotel on 22 September 2016. The recurring theme for this year’s event was “innovation” and therefore the most innovative hotels in the industry were chosen winners of this year’s awards.

As the first New World Hotel to open in south-west China, in 2014, New World Guiyang Hotel has played host to both large and small-scale events. Featuring elegantly appointed décor, state-of-the-art multimedia technology and an outdoor terrace, New World Guiyang Hotel’s event venues offer something unique to every client.

Each event hosted at New World Guiyang Hotel is supported by a professional planning team that attends to everything from catering to décor, ensuring a memorable and successful meeting or celebration.

The 2016 Wedding Hotel Awards cover high-end hotels, wedding planning studios, gowns, jewellery and wedding service providers throughout China (including Hong Kong, Macao and Taiwan). Through recommendations from experts in the wedding industry and readers’ feedback, the 2016 Hotel Wedding Awards present the best wedding service to brides and grooms, providing an authoritative opinion on China’s wedding industry.

New World Guiyang Hotel General Manager Leslie Lowe said, "We are proud to be named Best Wedding Venue by the 2016 Wedding Hotel Awards and look forward to welcoming brides and grooms from throughout the region to celebrate their weddings at New World Guiyang Hotel."
